Dear Jason,

I am back in Mexico after a great trip to FL !

I want to thank you again for your hospitality, interest and enthusiasm for our visit and our model. We had a great time sharing the model with you and your Team, and your enthusiasm was very motivating. The pictures are fantastic as well !!!

Good luck with your projects, and get going on your Fiat sometime soon. We are here to help you in any way we can.

Hope to see you again soon,

Jorge E.
