Jason Wenig :

I have to write you a personal letter thanking you for taking the time out of your day to show me around your shop. Both as fellow NY individuals we both know how important our time is epically relating to business. Seeing how you have transformed a warehouse into an amazing business with so much class, character, and staff amazes me. As a small business owner i appreciate that when you followed your passion, and you have shown me that you can achieve happiness, and success. I wish your business, and you great success with all of their endeavors.

Sincerely,

Mark E.
