

FIU

Engineering & Computing

The FIU Panther Motorsports team made it to the 2014 Formula SAE race at the Michigan International Speedway!

The judges were very impressed with our work ethic and accomplishments.

Your support, advice and encouragement were key to our success.

Thank you so much and we look forward to working with you next season.

Jason,
Thank you & your whole team
for everything you've done to support
our students. Looking forward to building
the next car. Have a great summer!
Amir
