Dear Jason -

You were sensational! Your presentation was exceptional, the examples of the work you showed were incredible, especially the one-off barchetta. And your tremendous passion for what you do was very evident. It was a testament to your presentation that, although the program ran a little late, no one left. In fact, many members stayed afterwards to talk with you at length.

It was serendipitous that Stanford Smilow was at the meeting and got to see the photos of his Moto MG as it looks today. Gus Ehrman, incidentally, who had also raced the car, was an early MASDCS member; as I recall he lived on Red Coat Lane in Greenwich

Jason, I hope one of your clients will be receptive to showing their car at the Greenwich Concours. Keep in mind that we have two separate concours: the Greenwich Concours d'Elegance on Saturday is exclusively for American cars and motorcycles, and the Greenwich Concours International on Sunday is exclusively for imported touring, sports, and competition cars and motorcycles. Additionally, we have vintage yachts each day; and for 2008 we expect to have three 12-meter competitors: US-42, US-46, and Australia.

Last, any time you find yourself back in Fun City on a second Tuesday of the month I hope you will join us at Sardi's. There will always be a place for you - and Kim - at the head table.

Warmest regards -

Bruce and Genia
