

Mr. Wenig,

I just wanted to thank you very much for allowing
to visit your shop.

It's amazing that so many vehicles can be worked on
the same time, and each one completed as a work of
Dad and I are having a heck of a time with just
How excited we would be if it comes out close to
what left the factory never mind concours ~~and~~ quality.

We are finishing up the chassis and will soon
the body. We hope to have the chassis at Russ's
Jai-alia show in May.

I was wondering if I could come by when you
doing body and paint prep to get a few tips.

with all due respect

Paul Vito
